Summary

I am a highly motivated graphic artist and designer with a background in fine arts. I have the unique edge of being trained in Graphic Design and Illustration giving my work a real sense of individuality. My digital portfolio demonstrates how well these two skill sets work in tandem in my freelancing career. You can find my portfolio on my website: ashixart.com

Job History

Freelance Graphic Artist | Designer 2021-Present

- Worked on a variety of projects for a number of companies and clients
- Managed continuous work from clients, while maintaining a full time job
- Utilized both of my skill sets; illustration, graphic design

Illustration Internship 2020-2021

- Worked one on one with a professional Illustrator (Roger Andrews of "Sketchygoichie")
- Worked with him maintaining client work
- Created content for his social media platforms (Youtube, Instagram)

Personal Care Attendant 2014-Present

- Assisted an individual with cognitive delays
- Worked together to develop communication skills
- Became comfortable wearing multiple hats: worked with physical therapist, speech therapist, behavioral therapist and skills trainers

Paraprofessional: Schwartz Center 2010-2016

- Worked at a school for individuals with special needs: graded papers, helped create lesson plans and worked one on one with children who needed extra help
- Learned how to adapt lesson plans according to each child's IEP (Individualized Educational Plan)
